Dear Ankush G P

This is in recognition of your competence, passion and hard work demonstrated in 2021. You have been able to ramp very quickly to handle high level of complexity in VISION and have contributed to the Silicon debug, validation and apps . Keep up the good work. In recognition of these contributions, you have been awarded the “Budding talent of the year 2021” - a key year end award from IMH product group.

We are pleased to award you a bonus of 50000 INR

Sincerely,

Savithiri Seetharaman
